Speak to Karl or Fitaz Gym front of house for more information.

TERMS

- **Minimum term** — 12 weeks, unless agreed otherwise.
- **Session cancellation** — 24 hours. Cancel with 24 hours' notice or more and the session is credited, to rebook now or later; inside 24 hours it is forfeited. Credits last three months.
- **Direct debit cancellation** — 30 days' notice by email.
- **Payment** — direct debit via Ezidebit on your training cycle: weekly for weekly clients, fortnightly for flexi. Direct deposit can be arranged. There is no card surcharge. Ezidebit charges a once-off administration fee of up to $5.50 on your first debit, then $0.99 per debit from a bank account and nothing by card. A failed payment costs $9.90. These are Ezidebit's fees and can change.
- **Travel** — if you'd like to keep training while away, your programming can be adapted to whatever equipment you have access to. If you'd rather not train, your sessions can be rescheduled.
- **Shared sessions** — each person has their own agreement. If someone can't attend, your rate doesn't change.
